Hyper Crush

This guy, I don't get it is he like a poster child for someone? For your information, Butthead, he's headed for the video championships in Los Angeles.

Is that right? Well let's just see how good he is then. Guys, pick any game you want. I'm good at all of 'em. I have ninety-seven of them.

You know ALL ninety-seven of them?

What is that?

I don't know.

Geez.

I love to powerglove. It's so bad.

Mortal Kombat on Sega Genesis is the best video game ever.

I disagree. It's a very good game, but I think Donkey Kong is the best game ever.

Donkey kong sucks!

You know something, you suck!

Fifty thousand? You got fifty thousand on Double Dragon?!

You are now in the Hyper Crush Future Machine. Please prepare for speeds in excess of Mach 5. Energy levels will begin to rise at a rapid rate. If you are faint of heart or experience dizziness from flashing lights, please leave now. For those of you who are ready for absolute digital meltdown, begin creating noise in: 10, 9, 8, 7, 6, 5, 4, 3, 2, 1.
