

Pop Lock Remix

Hyper Crush

Pop lock and drop it
Po-pop lock and drop it (2x)

Put that dang thing up now make it roll (Make it roll)
Put those lips up on me now, take it slow (take it slow)
Pop, lock and drop it low, show me that you're not a ho
Chase it like a yoyo, oh no
Here we go

Pop it, lock it
Pop it, lock it
Don't you stop
Pop it, drop it, lock it
I'm talkin' outta socket
Never catch me outta pocket
Let me show you how we drop it
Put that dang thing up
Now all you ladies say what

Pop lock and drop it
Po-pop lock and drop it (3x)

When I'm poppin' my body,
I move like maserati
With a hand on my skirt,
Movin' up to my shirt
I'm ready to get to work
I want it so bad it hurts

Touch it, bring it baby
Pop it lock it drop it rap about it

Do my dang thing up I made it roll
Ma-ma-made it roll
Put those lips up on you now,
I took it slow
Took it slow
Pop lock and dropped it low,
Showed you that I'm not a ho
Treat me like a yoyo
Oh no, here we go

Put that thing up mami, make it roll
Once you pop, pop lock it for me girl
Get low if your mama
Get to ya baby girl
Let it show
Once you pop, lock drop it for me maybe we can roll, OH!

Pop lock and drop it
Po-pop lock and drop it (4x)

Dro-drop it

The time has come

Pop, lock and drop

Now do it, pop, lock and drop
Now do it, pop, lock and drop
Now do it, pop, lock and drop

Now do it

Now, now, now do it
Do it no-now
