

# Lovesick

Hypnogaja

It's truly a sickness  
Love is just a disease  
And if you're the symptom  
Where's the medicine  
That I need  
Now there's a hurt inside  
And you make it bleed  
With a sting  
Yeah, it's love all right  
But it's not always a good thing  
No, love isn't always a good thing

You got me love sick  
Sick, sick, so cold  
You got me cut to the core  
With this pain I adore

I can't seem to control  
The infection has taken hold  
This love sickness I endure  
'Cause you're the symptom and the  
I can't seem to control  
The infection has taken hold  
This love sickness I endure  
'Cause you're the symptom and the cure

Now I try to fight  
But it burns too deep inside of me  
I think it's love, all right  
It doesn't matter though  
It doesn't matter  
'Cause love isn't always a good thing

You got me love sick  
Sick, sick, so cold  
You got me cut to the core  
With this pain I adore

I can't seem to control  
The infection has taken hold  
This love sickness I endure  
'Cause you're the symptom and the  
I can't seem to control  
The infection has taken hold  
This love sickness I endure  
'Cause you're the symptom and the cure

(Take this pain away)  
(Take this pain away)  
I need you  
(Take this pain away)  
Only you  
(Take this pain away)  
I need you  
(Take this pain away)

I can't seem to control

The infection has taken hold  
This love sickness I endure  
'Cause you're the symptom and the  
I can't seem to control  
The infection has taken hold  
This love sickness I endure  
There is no cure
