

# Tears

Hypnogaja

As I question my thoughts.  
I find no answers, only tears...

As I question my thoughts.  
I find no answers, only tears...  
What is happening to this thing, this thing I used to call my life.

And why do I now cry, and how will I survive

As I question my thoughts.  
I find no answers, only tears...

As I question my thoughts.  
I find no answers, only tears...

When will love decide to find me?  
Find me as a disciple.  
Where will I go from this? A tear falls...

As I question my thoughts.  
I find no answers, only tears...

As I question my thoughts.  
I find no answers, only tears...

What is happening to this thing, this thing I used to call my life.  
How will I survive, a tear falls

As I question my thoughts.  
I find no answers, only tears...

As I question my thoughts.  
I find no answers, only tears...

As I question my thoughts.  
I find no answers, only tears...

As I question my thoughts.  
I find no answers, only tears...
