

# God Is a Lie

## Hypocrisy

So, you think you're a god!  
You're nothing but a piece of shit,  
and if I get my hands on you,  
you will slowly die!

Oh the church of God  
preaching all the shit  
I'm not scared of you  
I think Jesus,  
GOD IS LIE

I rule this world,  
and Satan's son was sent.  
Son of evil, heart cold as blood.  
Father Satan give me your power!  
To create a new world.

Assemble at the gate,  
and we'll be as one.  
Reaches night, the end of dawn, evil.  
GOD IS A LIE

All my slaves and await,  
obey me and you die!
