Hyro The Hero

Everybody woke, nobody sleep
We live in an insomniac society
We think before we speak, not when we tweet
Satisfied as followers, we don't wanna leave
We outraged
But is it fake outrage?
I'm afraid to say anything
You'll be offended in some way

And you say fuck us
Well, fuck you too
And you say fuck us
Well, fuck you too

Fake news, all a bunch of fake news
Hashtags being used to influence you
Fake news, all a bunch of fake news
We want the truth
I don't know what to believe (I don't know what to believe)
I think you lying to me (I think you're lying to me)
You got a trick up your sleeve (You got a trick up your sleeve)
This don't feel like freedom to me
Freedom to me

Fuckery, trickery, politicking and dodgery
Here they go again with the bullshit
Dividing and conquer, can't blind me
Just so you know
The name of the game is not fuck me, it's fuck you
Just so you know
The name of the game is not fuck me, it's fuck you
Sick of these games
We don't wanna play no more
No one believes
You ain't playing me no more
I think you're lying to me
Go on, go suck your bloodclart

Fake news, all a bunch of fake news
Hashtags being used to influence you
Fake news, all a bunch of fake news
We want the truth
I don't know what to believe (I don't know what to believe)
I think you lying to me (I think you're lying to me)
You got a trick up your sleeve (You got a trick up your sleeve)
This don't feel like freedom to me
Freedom to me

You lying to my face
Enough is enough
You lying to my face
Enough is enough
You lying to my face
Enough is enough
Enough is enough

And you say fuck us

Well, fuck you too
And you say fuck us
Well, fuck you too

I don't know what to believe (I don't know what to believe)
I think you lying to me (I think you're lying to me)
You got a trick up your sleeve (You got a trick up your sleeve)
This don't feel like freedom to me
Freedom to me
