

I'm So Sick

Hyro The Hero

Insufficient funds
As if my life ain't insufficient enough
I'm a slave to my lust
Filled with disgust
I'm so corrupt
Who is there to trust
When you look at the world like I do
Fucking everybody sucks
Fake love, fake friends have become a crutch
No wonder why I keep fucking up

I'm so sick of the same old faces
I'm so sick of the same old places
Gotta get away from the world around me
Gotta get away from the world around me

I'm so sick of the same old faces
I'm so sick of the same old places
Gotta get away from the world around me
Gotta get away from the world around me

Am I becoming numb
Can I ever fix the damage I've done
I've been cursed by the tongue
When I escape they put me back in the mud
Will this repetition's cycle ever be done
Why the fuck am I so spiteful of the place that I'm from
Fake love, fake friends have become a crutch
No wonder why I keep fucking up

I'm so sick of the same old faces
I'm so sick of the same old places
Gotta get away from the world around me
Gotta get away from the world around me

I'm so sick of the same old faces
I'm so sick of the same old places
Gotta get away from the world around me
Gotta get away from the world around me

Can't wish death upon a ni**a with a death wish
World's closing in and the dark side tempting
Good over evil everyday I'm feeling tested
Or face the consequences of the people that I mess with

I'm so sick
I'm so sick
Gotta get away
Gotta get away

I'm so sick of the same old faces
I'm so sick of the same old places
Gotta get away from the world around me
Gotta get away from the world around me

I'm so sick
