Coldly frozen
Slowly drying
That rainy day you came to me
Before i knew it, it was closed
Bit by bit, countries inside the world
The dazzling sun shines on you
In the bitter-sweet moment
Lost in the wounds
You hugged me
Now I am your only
It is a warm spring
I will hug you comfortably
Always will be here
It is your song
I will hug your everything

Inside this unfamiliar countries
I, who don't know
The expectations of an embrace
Another step closer
It hurts much more
That was just me
Now I am your only
It is a warm spring
I will hug you comfortably
Always will be here
It is your song
I will hug your everything
Lalala, just like now
Lalala, like this
