Sitting under the boat, pacing for a while
I returned home out of fear of the sunset
Nervous that my salty tear stains will get noticed
Since then, I became one year old

After I packed up from being pushed out
After I gathered those lifeless tears
I wanna be buried in a meadow
That seeps with betrayal and care

We all die alone
We are all alone
Lord come take my soul
So we can all reborn

We all die alone
We are all alone
Lord come take my soul
So we can all reborn

All of you who have left me, hurry and line up
With tears, I'm memorizing the last of the last times
I wasn't gonna stay here anyway
Past the boat, the line is long, there is no end

After I packed up from being pushed out
After I gathered those lifeless tears
I wanna be buried in a meadow
That seeps with betrayal and care

We all die alone
We are all alone
Lord come take my soul
So we can all reborn

We all die alone
We are all alone
Lord come take my soul
So we can all reborn

We all die alone
We are all alone
Lord come take my soul
So we can all reborn

We all die alone
We are all alone
Lord come take my soul
So we can all reborn

All of you who have left me, hurry and line up
With tears, I'm memorizing the last of the last times
I wasn't gonna stay here anyway
Past the boat, the line is long, there is no end
