Then you gotta stay the same
I know you're trying to sit on me
Cause I'm really good at this
To downtown I deserve to go
There's no reason not to go
For what I said so long ago
That's not a fault of yours
I wanna wanna be like this

Why always try to leave me alone
I keep my head up and keep my mouth shut
Why always need to wait for so long
I keep my way
Do things my own way
