I'm dying go just rob the jail

It's ok tell me lie lie lie lie
I'm lying so just cut the tail

Maybe we can just shut down
All of the doors we found
And we
Doo bie doo bie
Doo bie doo bie
Dance on the floor

Yeah maybe shut down
All of the life we made
And then
Doo bie doo bie
Doo bie doo bie doo

I have to tighten my loosened shoelaces
I might trip and fall while I'm running
I only have medals for swallowing up my tears

My scarred efforts become like foam
I gathered my shed tears
And set off my shrunken ego
So I won't be swayed by the Jordan River
There's no one to hold onto me here
Woo...

I was running away and jumped over a wall
And a sharp cliff is endlessly embracing me
Of course, the edge is surrounded by thorns
I'm gushing with blood but no one sees
I gathered my shed tears
And set off my shrunken ego
So I won't be swayed by the Jordan River
Please hold tight onto me

Before I die die die die
I'm dying, go just rob the jail

It's ok tell me lie lie lie lie
I'm lying, so just cut the tail

Maybe we can just shut down
All of the doors we found
And we
Doo bie doo bie
Doo bie doo bie
Dance on the floor

Yeah, maybe shut down
All of the life we made
And then
Doo bie doo bie
Doo bie doo bie doo
Woo...

I followed the tide and flowed along
Then I realize I'm older than yesterday, half of fifty
Getting pushed around, I came here though I have no interest
Now all the water has left me, I'm exhausted
I gathered my shed tears
And set off my shrunken ego
So I won't be swayed by the Jordan River
Please hold tight onto me

Before I die die die die
I'm dying, go just rob the jail

It's ok tell me lie lie lie lie
I'm lying, so just cut the tail

Maybe we can just shut down
All of the doors we found
And we
Doo bie doo bie
Doo bie doo bie
