

Look back in bitterness  
Going back to broken pieces of past  
Staying in memories  
Hesitating stepping forward to real

I'm a stupid wanderer  
Wandering poor fellow  
Given up to live in the place that we made before  
Ohio gentle wave  
On an ocean of recall, oh

Oh-hi, oh-hi  
I watch your pain  
Oh-hi, oh-hi  
The same as mine

Long story truly short  
Rewind it ever over again  
Hard to find the rest  
The world without you never can stand

I'm a stupid blind old man  
Denying such a bright light  
Give up go to live in the place that we made before  
Ohio gentle wave  
On an ocean of recall, oh

Oh-hi, oh-hi  
I watch your pain  
Oh-hi, oh-hi  
The same as mine

Take me from your breath  
Let me down to back to real  
I will erase you  
Set me free from you  
I know it's hard to try, oh

Oh-hi, oh-hi  
I watch your pain  
Oh-hi, oh-hi  
The same as mine

Oh, oh-hi, oh-hi  
I watch your pain  
Oh-hi, oh-hi  
The same as mine
