Seduce him
Shake your tail
Freaky deaky
No one can stop me
I'll make you crazy
and play with you, come here
Slap, slap
You're going to be punished

Seduce, seduce
I'm going to seduce you
Seduce, seduce
I'm going to seduce you seriously
Seduce
I choose you and seduce
If I seduce you seriously,
you can't hold a minute

I'll punish you
You'll be standing there all night
Here's a bad boy
You're being punished
If you talk back to me
I'll bring you home
You don't have a gun
but you've shot my heart

Oops
This noona is a little bit bad
Oops
This noona is a little bit naughty

What are you thinking now?
What did you imagine? Uh
Wait, did you see my legs just now?

You can never
go home just like this
I won't go home
leaving you like this

Look at me, here
Come here my friend
Noona is loosing her hair

Seduce him
Shake your tail
Freaky deaky
No one can stop me
I'll make you crazy
and play with you, come here
Slap, slap
You're going to be punished

Seduce, seduce
I'm going to seduce you
Seduce, seduce
I'm going to seduce you seriously
Seduce
I choose you and seduce
If I seduce you seriously,
you can't hold a minute

You've never
seen this before have you?
I have everything
in this short height
I'm not wearing high heels
I'm wearing casual
Where are you from?
Did you come to see me?
From now on
I'm going to seduce you

I'm going to do it like this
What do you like more?
I'm not doing this all the time
Sometimes I fit your style
You are coming towards me
I've already stolen your heart
It's simple, answer me
I'm not going anywhere

You can never
go home just like this
I won't go home
leaving you like this

Look at me, here
Come here my friend
Noona is loosing her hair

Seduce him
Shake your tail
Freaky deaky

No one can stop me
I'll make you crazy
and play with you, come here
Slap, slap
You're going to be punished

Seduce, seduce
I'm going to seduce you
Seduce, seduce
I'm going to seduce you seriously
Seduce
I choose you and seduce
If I seduce you seriously,
you can't hold a minute

Come here, I'm going to drink more
Come here, I'm going to punish you
Come here, I'm going to have you
Freaky deaky
I'm serious now

Come here, I'm going to drink more
Come here, I'm going to punish you
Come here, I'm going to have you
Freaky deaky
Let's make a big problem

Seduce him
Shake your tail
Freaky deaky
No one can stop me
I'll make you crazy
and play with you, come here
Slap, slap
You're going to be punished

Seduce, seduce
I'm going to seduce you
Seduce, seduce
I'm going to seduce you seriously
Seduce
I choose you and seduce
If I seduce you seriously,
you can't hold a minute
