You can't touch me don't touch me

There's never anyone who doesn't know me
Wherever I go, they wanna touch me
Look, this was always my swag
If you have a problem with that, just give them water¹

Ok now good, yes good
(Queen's back, if you don't know, shh)
My scale is different, you can't touch this
You've heard it, it's Red

Even my friends get jealous of me, I know
I'm always alone here
On top of the chopping block, I know
Chew me up when I smile

I don't care, I don't care at all
I'm OK, my place is still the same
More jealousy and envy makes trouble, I know
Actually, a little dangerous

You and you, I am me, hey
Like this, like that, it doesn't matter
You are you, I am me
Like this, like that, like this, like that

It's all because I'm the best
It's because I'm pretty
It's because they're all jealous
Baby I'm bad all day
It's all because I'm the best
It's because I'm pretty
It's because they're all envious
Sorry, I'm a dope girl

Ok now good, yes good
You can't touch me Don't touch me
Ok now good, yes good
You can't touch me Don't touch me
Ok now good, yes good
You can't touch me Don't touch me
Ok now good, yes good
You can't touch me Don't touch me

It's because I'm the best
It's because you're not
The answer is simple
It's because you don't get attention
I've never had these four things:
Time, likeability², fear, fat
I'm like a made-up character since I was born
People around me massage me with jealousy
Oh it's still the same, she's still the queen

I have everything but height
But they all open the door for me
They call me fake,
saying I've never been real
But HyunA, who you can't even hold hands with?
She's like my sister to me

You and you, I am me, hey
Like this, like that, it doesn't matter
You are you, I am me
Like this, like that, like this, like that

It's all because I'm the best
It's because I'm pretty
It's because they're all jealous
Baby I'm bad all day
It's all because I'm the best
It's because I'm pretty
It's because they're all envious
Sorry, I'm a dope girl

You can't touch me Don't touch me
I don't care, I don't care at all
I'm OK, my place is still the same
You can't touch me Don't touch me
Like this, like that, like this, like that

It's all because I'm the best
It's because I'm pretty
It's because they're all jealous
Baby I'm bad all day
