Make it so cool, make it more hot
Red lipstick, make it more red (red)
Make it so cool, make it more hot
Red lipstick, make it more red (red)

I put on red lipstick, I'm red (red)
My cuteness that makes you wanna bite me is like art
Every night, you think of me like spicy ramen
Come in first if you like me

Hyuna's back A better body than anyone else
is a full option for me
I'm gonna warm up and run
Because that red thing, that's me
Now I'm gonna go up on stage

Don't leave me,
I'm so lonely right now
At least you don't leave me,
I'm the only one here
I might change right now

A monkey's butt is red, what
Red is Hyuna, Hyuna is yeah
A monkey's butt is red, what
Red is Hyuna, Hyuna is ah

(Oh~ Eh Oh Eh Oh)
Uh, uh red is Hyuna

Everyone stop,
I'll punish you so stick out your butt
You won't be able to handle me every night
Say H Y U N and A
A killer dance, I'll kill on stage,
My confidence reaches the sky
I won't say much more

Don't leave me,
I'm so lonely right now
At least you don't leave me,
I'm the only one here
I might change right now
