All Around Me Now

I Am Empire

Gone but not for long The page is wrong A dead man's song I'll
be fine, I'll be fine My world is a lampshade and I couldn't se
e you

All around me now Time is running This life is burning me out Y
ou remain complete Love with no defeat I will be a light for yo
u

Some might say I am all but okay The truth is I don't like the
things I keep Oh and the ghost never sleeps Takes the good righ
t out of me All around me now
