

## Make A Way

I AM THEY

You brought me to the desert so You could be my water  
You brought me to the fire so You could be my shield  
You brought me to the darkness so You could be my morning light  
If You brought me this far, if You brought me this far

Wherever you lead me, I know you won't leave me  
Wherever you call me, You will make a way  
Wherever we're going, I will be holding  
To the promise you have made  
You will make a way  
You will make a way

And when I'm in the valley, You will be my comfort  
And when I'm at the end of me, I find You there  
When I'm in the battle, You will be my present peace  
Cause You brought me this far, You brought me this far  
If You brought me this far

Wherever you lead me, I know you won't leave me  
Wherever you call me, You will make a way  
Wherever we're going, I will be holding  
To the promise you have made  
You will make a way  
My God will make a way

Cause You brought me this far  
You brought me this far  
You brought me this far  
You will make a way

You brought me this far  
You brought me this far  
You brought me this far  
My God will make a way

Wherever you lead me, I know you won't leave me  
Wherever you call me, You will make a way  
Wherever we're going, I will be holding  
To the promise you have made

Wherever you lead me, I know you won't leave me  
Wherever you call me, You will make a way  
Wherever we're going, I will be holding  
To the promise you have made  
You will make a way  
You will make a way
