

## Near To Me

I AM THEY

God I'm tired  
And I'm lonely  
I can't do this on my own  
I surrender  
Every burden  
By Your mercy You come close

You can have my heart  
I will rest in You  
And my darkest night  
Will be bright as noon  
I am filled with hope  
And I will not fear  
When I lose it all  
I know You come near to me  
So come near to me

You are goodness  
You are kindness  
So I lift my eyes to You  
In my weakness  
You are boundless  
So I lift my hands to You

You can have my heart  
I will rest in You  
And my darkest night  
Will be bright as noon  
I am filled with hope  
And I will not fear  
When I lose it all  
I know You come near to me

Hallelujah, come  
Holy Spirit, come

You can have my heart  
I will rest in You  
And my darkest night  
Will be bright as noon  
I am filled with hope  
And I will not fear  
When I lose it all  
I know You come near to me  
So come near to me
