

# The Well

I AM THEY

There is mercy that won't run dry  
There is a kindness that never dies  
It is deep, it is wide  
There is mercy that won't run dry

Taste and see, oh, taste and see

Come drink from the well  
You can come as you are  
And drink from the well  
You're never too far to  
Come, fill up your cup  
There is more, more than enough  
Come drink from the well

There is water that's full of life  
There is a joy that you just can't buy  
But if you seek, you will find  
There is water that's full of life

Taste and see, oh, taste and see

Come drink from the well  
You can come as you are  
And drink from the well  
You're never too far to  
Come, fill up your cup  
There is more, more than enough  
Come drink from the well (Yeah)

All the weary, all the hurting  
Lay your burdens down, lay your burdens down  
All the lonely, all the thirsty  
Hope is flowing now, springing from the ground  
All the weary, all the hurting  
Lay your burdens down, lay your burdens down  
All the lonely, all the thirsty  
Hope is flowing now, springing from the ground

Come drink from the well  
You can come as you are  
And drink from the well  
You're never too far to  
Come, fill up your cup  
There is more, more than enough  
Come drink from the well

Oh-oh  
Come drink from the well  
There's more than enough  
Come drink from the well
