

To The One

I AM THEY

Bring the pain that you've been hiding
Bring your scars and bring your shame
Every failure, every secret
Bring your fear that things won't change
Bring your dreams and bring your worries
Highest highs and lowest lows
Every hope you pin your heart on
Every hurt you can't let go

To the One who's name is Healer
To the One who came to save
To the One who's love is stronger
Than the power of the grave
Come and raise your Hallelujah
To the God who overcomes
Lift your hands, lift your heart
To the One

There is joy and sweet forgiveness
Where the fount of mercy flows
Child of heaven wait no longer
Hear the call, come back home

To the One who's name is Healer
To the One who came to save
To the One who's love is stronger
Than the power of the grave
Come and raise your Hallelujah
To the God who overcomes
Lift your hands, lift your heart
To the One

He is grace, He is peace
He is light, He redeems
Lift your voice, lift your eyes
Give your praise, give your life

To the One who's name is Healer
To the One who came to save
To the One who's love is stronger
Than the power of the grave
Come and raise your Hallelujah
To the God who overcomes
Lift your hands, lift your heart
To the One
