## I Belong To The Zoo

See, I've been thinking 'bout you  
Much more than I'm supposed to  
And every day, I've been wondering if  
I am still inside your mind too

It's been a few weeks now since you've been gone  
And I'm finding it hard to keep myself from breaking down  
Will all my words still be enough?  
Now that you're so far away from me?

I wish your dreams would all come true  
Never turning back from fear of what they mistakenly say about you  
I hope you never doubt yourself  
'Cause you have done so much, you're enough

See, I've been thinking 'bout you  
Much more than I'm supposed to  
And every day, I've been wondering if  
I am still inside your mind too  
See, I've been thinking 'bout you  
Much more than I'm allowed to  
And nobody knows what we're going through  
'Cause I still failed to tell you my truth

It's hard enough that we can't talk like other days  
Even worse now that I see you every day  
When will I ever be enough? Come back to me  
Come back to me

I replay all the voices that you've sent  
Imagine conversations just to keep myself sane and I  
I don't mind, if you wanna hide  
But if you want me to stay, then I'll keep you

I hope you know that I don't ever wanna be  
Someone who keeps on pulling you down  
But all this mess inside of me just keeps on saying  
Maybe I am the one

See, I've been thinking 'bout you  
Much more than I'm supposed to  
And every day, I've been wondering if  
I am still inside your mind too  
See, I've been thinking 'bout you  
Much more than I'm allowed to  
And nobody knows what we're going through  
'Cause I still failed to tell you my truth

Truth be told, I don't know where to go  
Feels like I'm lost even more than before  
I don't know where to place myself anymore  
Anymore

Maybe in another life, you'll see me  
You'll see me in a different light, finally  
Maybe in another life, maybe in another life  
Maybe in another life, you'll see me

You'll see me in a different light, finally, oh  
Maybe in another life, maybe in another life

See, I've been thinking 'bout you  
Much more than I'm supposed to  
And every day, I've been wondering if  
I am still inside your mind too  
See, I've been thinking 'bout you  
Much more than I'm allowed to  
And nobody knows what we're going through  
'Cause I still failed to tell you my truth

See, I've been thinking 'bout you  
Much more than I'm supposed to  
And every day, I've been wondering if  
I am still inside your mind too  
See, I've been thinking 'bout you
