

2B, 2D Or Not 2B

I Blame Coco

It's another one of Coco's songs
Yes and we're 'bout to get down
We're the artists in the world right now
Just touched down in kentish town

Like a balloon she'll fly
A weightless character
Up, up away, so high
No elevating barrier

She never she never
she never she never said goodbye
When they carried her home
Like a coward she run
From a Chinese takeaway
High heels in one hand
As she dashed the tray away

Bon appetite
Was Greek you see
To a girl like she
To a girl like

2B 2D or not 2B
All I know is that I want ya
And if you stay
I'll never leave ya

2B 2D or not 2B
All I know is that I want ya
And if you stay
I'll never leave ya

Like a balloon she'll fly
As a balloon she'll fly
Like a balloon she'll fly
As a balloon she'll fly
When they carried her home

Like a balloon she'll fly
As a balloon she'll fly
Like a balloon she'll fly
As a balloon she'll fly
When they carried her home

You need to come by me
Fill your belly
You need to eat
I like to feed
Look at the pot
You said you're not hungry
You need to try my rice and peas

Come by me
Put on the weed
Munch like a champion
Drink some sweet tea

We'll both feel happy
Fresh and healthy
That's how a girl should be

2B 2D or not 2B
All I know is that I want ya
And if you stay
I'll never leave ya

2B 2D or not 2B
All I know is that I want ya
And if you stay
I'll never leave ya

2B 2D or not 2B
All I know is that I want ya
And if you stay
I'll never leave ya

2B 2D or not 2B
All I know is that I want ya
And if you stay
I'll never leave ya

2B 2D or not 2B
All I know is that I want ya
And if you stay
I'll never leave ya
