

Never be

I Blame Coco

Oh, oh
Can we hold hands
If it's cold outside
Do it if you can
Just don't feel obliged
Are we in love?
Maybe in my mind
Are we in love?
We can compromise
I can't be strong, oh, oh
But babe, I'll try
'Cause I'll never be your own

Even if I stole him, control him,
Dictate him, indoctrinate him
Fix him, convince him
I'll never be his own

Even if he stole me, control me,
Dictate me, indoctrinate me
Fix me, convince me
I'll never be his own

Can we change hands
Can I change your mind?
Change your plans
You know I can't change mine
'Cause I'm in love
I think I'm tied

Yes I'm in love
With my other side
I can't be strong, oh, oh,
But babe, I'll try
'Cause I'll never be your own
'Cause you'll never be my own
'Cause I'll never be your own
'Cause you will never be my own
'Cause I'll never be your own

Even if I stole him, control him,
Dictate him, indoctrinate him
Fix him, convince him
I'll never be his own

Even if he stole me, control me,
Dictate me, indoctrinate me
Fix me, convince me
I'll never be his own
x2

'Cause I'll never be his,
I'll never be his
I'll never be his own
