

Tu Cages

I Blame Coco

Now that I've read your pages
I can see a lot of you in me
We both live in our cages
And some unfortunate's got the key

Answers please

Where words and ink merge into English

We are strangers

I've reached a chapter I'm afraid to read
In this book of your life
I turn a page to proceed
Am I that little girl in your eye

Answers please
Are they lost in music
Where beats and verse is enough to try

We are strangers
Well others will not understand
Our behavior
