

## For The Best

I Call Fives

They call me typical  
As if they know what's on my mind  
I'm far from cynical  
So forgive me for knowing  
That you're not worth my time  
I don't believe  
That anyone or anything is meant to be  
And I pray that I'm not right

My eyes have been getting heavy  
I still found the nerve to say  
I've been through all of this before  
Things are never gonna change  
Everyone keeps telling me to cut my losses  
How bad could it be  
It's only the hardest thing I've ever done in my life

I'll end this  
And I know it's for the best  
And it won't be easy  
Knowing you're with someone else  
And I don't believe  
That anyone or anything is meant to be  
And I pray that I'm not right

My heart has been getting heavy  
And I don't know what to say  
It seems like everything you do  
Just keeps pushing me away  
And everyone keeps telling me  
You were never worth my time  
And when this conversation comes to an end  
So will you and I

I'll end this  
And I know it's for the best  
And it won't be easy  
Knowing you're with someone else  
And I don't believe  
That anyone or anything is meant to be  
And I pray that I'm not right

And all this time I was just lying to myself  
You were such a waste of time

I'll end this  
And I know it's for the best  
And it won't be easy  
Knowing you're with someone else  
And I don't believe  
That anyone or anything is meant to be  
And I pray that I'm not right
