

Kiss Goodnight

I Dont Know How But They Found Me

No I don't care
About anything at all
But I still stop and stare
Every time that you call
See I know that girls like you
They don't come with guarantees
So if you've got to spend your time
Oh won't you spend it with me?

I hope we kiss goodnight
It might just end my life
But if you think that it's right, right, right
I hope we kiss goodnight
I hope we kiss goodnight

Should you invite me in
To spend the night on the floor
Oh please believe I'll be a gentlemen
Or you can show me the door
While all my friends and I
Leaf through the books on the shelf
No I don't want to spend my life
With anyone else

Why don't we kiss goodnight
It might just end my life
But I'm pretty sure that it's right, right, right
Why don't we kiss goodnight
Why don't we we kiss goodnight

Why don't we kiss goodnight?
It might just end my life
I'm pretty sure that it's right, right, right
Now we can kiss goodnight
I don't want to spend my life, life
Without your kiss goodnight
Yeah for the rest of my life, life, life
I need your kiss goodnight
I hope we kiss goodnight
