

Sugar Pills

I Dont Know How But They Found Me

I take one
To make me feel better
I take two despite any directions
Three, four, five
Just for the hell of it
Seven, eight, nine, ten
Starting to lose count again
Could it be that it's only in my head?

Sugar sugar sugar pills
Give me something more for my wild imagination
Sugar sugar sugar pills
Tell me that you're more than a sick fascination
Fascination
Fascination

A quick fix
It's a cheap trick
Get yourself a pseudo-scientific little fiction
You can fix this
Seven, eight, nine
I'm losing count again
Maybe they don't work at all
Swallow every one of them
Could it be that it's only in my head?

You're with me all the time
Always in the back of my mind

Always in the back of my mind
