

SUNNYSIDE

I Dont Know How But They Found Me

Stop where you are, let me explain
Drown your doubts away in cheap champagne
Palms bleed, gold leaves
You might not get another chance
So take her mother dancing
And don't overthink the irony, oh, please

Here I go running my mouth again
Left foot in the dark 'cause I'm sunny-side up
Take a skip and a jump, now you're sunny-side up-up-up-up
Here I go running my mouth again
Left foot in the dark, now you're sunny-side up-up-up-up
No, we don't give a- up-up-up-up

Listen, don't hesitate to take the blame, nah
Surely something will go wrong again
Stop these heartstrings
A sucker for the circumstance
With post-traumatic accents
And transatlantic expertise

Here I go running my mouth again
Left foot in the dark 'cause I'm sunny-side up
Take a skip and a jump, now you're sunny-side up-up-up-up
(Okay, okay, okay)
Here I go running my mouth again
Left foot in the dark, now you're sunny-side up-up-up-up
No, we don't give a- up-up-up-up

Ooh, there's more to life than meets the eye
Intrusive thoughts will make you cry
You've got to play through the pain and just ignore what's creeping i
n
Some day we're all going to die

Here I go running my mouth again
Left foot in the dark 'cause I'm sunny-side up-up-up-up
When we're together, up-up-up-up
Oh, sunny-side up-up-up-up
Sunny-side up-up-up-up
We'll get it up-up-up-up
Sunny-side up
Oh, sunny-side up-up-up-up
Sunny-side up-up-up-up
We'll get it up-up-up-up
Sunny-side up (Oh)
