

## Tomorrow People

### I Dont Know How But They Found Me

Ladies and gentlemen, and everyone in-between

We thank you for listening to our presentation of "Razzmatazz"

by "I Dont Know How But They Found Me"

Your friends at the TELLEXX Corporation work tirelessly around the clock, providing us all with advancements in the Temporal Arts, National Defense, Aviation, Oceanics, Dimensional Modulation, Thought Reform, Automotive, and Manufacturing, hurdling us into a brighter past, a better present, and a more productive future

And before too many tomorrows go by, we hope to see you again

Where ever, or when ever you may be

To search, to discover, to develop, to broaden our knowledge of the world we live in and the universe we occupy, to make reality of imagination

This is TELLEXX

The tomorrow people
