

Dreams and Lies

I Fight Dragons

I don't know where I am
I don't know where I've been
But I know that the joke is I'm back here again
I don't know what to say
I don't know where to turn
But I know that you can't cross the bridges you burned

Dreams and lies
I can't tell the difference half the time
But I won't let go
Right or wrong
All I want is somewhere to belong
And someone to hold
Dreams and lies, let it go
Dreams and lies, let it go

I don't know who to be
I don't who to trust
But I know it's a short road between iron and rust
I can't tell you the truth
If I don't know myself
That's the difference between me and everybody else

Dreams and lies
I can't tell the difference half the time
But I won't let go
Right or wrong
All I want is somewhere to belong
And someone to hold
Dreams and lies, let it go
Dreams and lies, let it go

Dream and lies
I can't tell the difference half the time
But I won't let go
Right or wrong
All I want is somewhere to belong
And someone to hold
Dreams and lies, let it go
Dreams and lies, let it go
