

## Summer of Heroes

### I Fight Dragons

It's the summer of heroes!

Day one dawns  
On a journey that has just begun.  
10 thousands miles flung  
From the New York lights  
To the kingdom of the setting sun  
California, here we come!

We will never be the same,  
But we will earn our name.  
All places on the open road.  
Time and trouble fade away  
Cause every time we play  
The universe is ours to hold.

It's the summer of heroes!

In the desert night  
On the coastline of a mountain drive  
Sunset to sunrise.  
We'll find our way  
As we find out how to stay alive  
Got some glory in our eyes.

We will never be the same,  
But we will earn our name.  
All places on the open road.  
Time and trouble fade away  
Cause every time we play  
The universe is ours to hold.

It's the summer of heroes!

We will never be the same,  
But we will earn our name.  
All places on the open road.  
Time and trouble fade away  
Cause every time we play  
The universe is ours to hold.

It's the summer of heroes!
