

A Short Song About Snow

I Monster

Summer wave your magic wand
I've been sneezing all day long
My dog is standing at your door
Can I lay down on your floor?

La La La La La La La La La La La

It's the time of year again
Winter go I'm not your friend
All you lovely flames for hire
Can I lay down by your fire?

La La La La La La La La La La La
La La La La La La La La La La La

You can keep me snug and warm
It's so deep out on the lawn
I'm so cold I've lost my head
Can I lay down on your bed?

La La La La La La La La La La La
La La La La La La La La La La La
