

## Exit

I Monster

So long, farewell  
It's time to fly  
We've made some friends here  
But now it's goodbye

So long, farewell  
It's time to fly  
We've made some friends here  
But now it's goodbye

Can we go home now  
Can we go home now  
Can we go home now  
Can we go home now

“Taxi!”
