Gang
Gang
IAMDDB
I keep it G
Gang, gang

Maybe you can roll with me
Maybe I might let you roll my weed
I'm taking my time got no time to please
You
No
We keep it G

Yeah
You can roll with me
Yeah
Said you can even roll my weed
Yeah
I got my chica to the left of me
Cause she keeps it G
Never trying too hard
I like to lay back
Smoking weed with my sista
Ooh, I'm leaning back
Yeah, back
Ooh, I'm leaning back

Cause we stay talkin' bout that cash
Talkin' bout our dreams
Talkin' bout, talkin' bout who we see, see and what we need
Gang, gang, gang, gang, gang
Ooh, I'm leaning back
Yeah

I said please don't disturb my calling
I have no time
I'm really, really putting my all in
Like all the time
Yeah
Like all the time
Come roll with me
Said you can even roll my weed
I'm taking my time ain't got no time to please
You, no
Cause I keep it G, yeah
So baby you can roll with me
Yeah
Said you can even roll my weed
She's always stuck to the left of me
Yeah yeah
Cause she keeps it G
Yeah yeah
You don't know how to keep it G
No no
You cannot ride with me
You cannot ride with me
You cannot ride with me

It's mermaid season
