

End Of The World

IAMDDB

Yeah, DDB, yeah
DDB, yeah
Stop what you're doing right there little bitch
This ain't yo mans don't fuck with my shit
Dont play 'bout mines can't replace what I give
I don't want no friends, I don't wanna call it quits
Quarantine with a foreign tin bitch, we be lit
Don't make time for no hoes 'cause these hoes make me sick
Suck my titty, fuck me good, watch the world turn to shit

The world is ending but my love grows for you
For you
World's colliding but think I be falling for you
For you
Ay, ay, ay, ay, ay, ay
Ay, ay, ay, ay, ay, ay, ay, ay

I just wanna make you cum, feel it in my chest
Sip a little lean, watch me give you all this neck
We can take trips, get you trippy all night
Said you never fell but you trippin' on sight
You my new drug, need the dosage on sight
Got the LSD, LSD give you sight
Said he wanna see now, he seeing through the lies
I want all of you
Do it all for you

You ain't ever gotta question my loyalty, you know it belongs to you
I want you to go with me everywhere, do you wanna be there?
Ah
My heart is too pure to be insecure, I don't wanna slow down
I want you to stay with me, you part of my world now
Baby, you don't gotta hide nothing 'cause you home now
If you wanna ride along with me then let's go now

The world is ending but my love grows for you
For you
World's colliding but think I be falling for you
For you

So I go away, ah ooh
Go away, ah
I will always be here for you, I will never leave if it's true
You know, you know
You know, you know
You know, you know
You know, you know
DDB, yeah
I will always be here for you, I will never leave if it's true
You know, you know
You know, you know
You know, you know
You know
