

## Mellow Down Interlude

IAMDDDB

Mmm, I feel like we have reached the point where  
We can discuss and learn about urban jazz  
The official introduction to urban jazz created by yours truly  
with so much love  
So much love  
Damn  
Damn  
Urban jazz to me is...  
Ooh... baby  
The infusion of sounds collectively coming together to create some form of  
A memory, a feeling, a mixture of then and now  
Tell them girls...  
Adaptable to all genres, but there's just a certain type of texture feeling temperature that keeps you truly connected to urban jazz  
Damn
