

God

Pull me closer, pull me closer to you  
Never let me go or stray from your ways  
I pray for mercy for forgiveness today  
Life gets heavy but with You I'm okay  
Cleanse my hands and renew my heart everyday  
The world is dying but the earth it remains  
I look to you please raise my soul into space  
I know I am Yours it's my design to be saved (to be saved)

I say these words so you can heal me  
Please enter me with the Holy Spirit  
Please heal my scars so I can be free  
Come flush your sin so you can see more clearly  
I taste my freedom when I am dreaming  
I feel Your love I know I am healing  
I know there's more to life beyond the room I sleep in  
I'm wide awake cause I be peeping what I'm feeling  
Feeling I'm feeling I'm feeling again  
I won't sacrifice my soul to please my flesh again  
I won't be a slave to these agendas made by men  
I feel much better by myself I got my peace  
I got my health I got my wealth  
I got my wealth my soul is shining  
Foundation solid like a tree  
I'm bearing fruit and it's so sweet (it's so sweet)  
Can tell a lot about a person  
By the way they plant their seeds  
Do not let that go over your head (Yeah, yeah)

God

Pull me closer, pull me closer to you (to you)  
Never let me go or stray from your ways (your ways)  
I pray for mercy for forgiveness today (today)
