Space Break Interlude

IAMDDB

Ah, finally
"Welcome eternal being"
I am home
"We have awaited your return"
Sweg I love that I've missed you too man
"To check in to your spaceship please provide name"
I actually don't know my login
I woke up to flex and drae played me the intro to urban jazz an
d ass...
"Boarding not recognised"
Ok check, try eternal being 050396
"Buffering"
You wot? Yo
"File corruption detected"
Listen
"That's right you're not getting in"
Oh, this this is what I be talking about, you know, this is why
, this is why I left earth, like the bitches they have potentia
l but they're hoes, and then the niggas, oh they're worse than
the bitches so, mmm...
I just need to go somewhere, where they can give me something,
and not something I can touch, like something I can feel, you k
now?
Mmm...
"Entry granted. Name"
My name is IAMDDB
"Exact heritage, residency and planet name"
Heritage Angolan Portuguese, place of living Manchester, planet
 earth
(You cannot see)
Hello
(You think I cannot see)
I didn't actually say that
(Of all things, to live in darkness must be the worst, fear is
the only darkness)
"Purpose for existing"
My purpose for existing is...
"System overloading, system overloading, recalibrating"
Ooh bitch you done fucked up the system
