# Surfin'

**IAMDDB**

Yeah yeah
Cause IAMDDB yeah yeah
Keep it G of course
Yeah yeah

Baby do you wanna go? Tell me
Oh, do you wanna go?
Cause if you wanna
We can take it slow
We can catch a flight and take it all away
Shorty, do you wanna know?
Oh would you rather just take control
Ride away, being surfin the ocean
You will never know
Untill you deep your souls into the unknown
Shorty, do you wanna go?
Or would you rather be my side, bitch
You can take it how it is
Or you can head back home
Baby girl, we got no time for all that is some
But if you give your love, I'm promise I'll give my all
Yeaaaaah, cause I keep it g, of course
My sauce it will have you lost
So I suggest to you to keep walking on (yeah)
Shorty, let me know just what you want
We don't got to fight to put
And when they tell I don't love you
Tell them "fuck you twice"
Cause we're just nice, like Bonnie and Clayde

Do you wanna go? Tell me
Oh, do you wanna go?
Cause if you wanna
We can take it slow
We can catch a flight and take it all away
Shorty, do you wanna know?

Oh, do you wanna go?
Do you wanna go?

Keep it G
Keep it G
