

# Trophy

IAMDDB

You, yeah yeah  
You, yeah  
You  
It's that DDB, yeah  
You, yeah yeah  
You, yeah  
You, yeah yeah

Imma take the trophy, hope you  
Gotta go to you  
Never know you  
Imma take the trophy, hope you  
Gotta go to you  
Never know you

Take me to Paris I like it  
Give me champagne with no glass yeah I like it  
Drink it all from the bottle ya dig?  
Your man be in my DMs oh ya dig?  
Plus I'm sitting with my king oh ya dig  
Never snitch, never snitch  
We only talk when its business  
Got no time for the hoe she a queen, ya  
Got no time for the boy but you miss him  
Imma, Imma  
Give you the world, mend all your feelings  
Got me love drunk, I'm loose, I am leaning  
Got me feeling, got me feeling  
But I doubt they would cry me and feel me  
You really feel me  
Henny, henny  
Gang, gang  
Yeah I'm with it

Imma take the trophy, hope you  
Gotta go to you  
Never know you  
Imma take the trophy, hope you  
Gotta go to you  
Never know you
