

Pussy boy what yuo want from me?
Better talk nice, you can get stung for free
Try pree my ting you could never keep up with we
You better talk less we don't mix and blend my g
Get racks count stacks back to back
Bitches say they're set goodie but my niggas say it's trash
We accept cash niggas know they have to stay back
We don't beg friend
Never catch me repping for no bitch ass nigga
Or no fake ass bitch that only wanna be
Black 'cause it's cool you a cap ass nigga
Try send me juju and it bounce right back nigga
Send me juju and it bounce right back nigga

Friend of an opp they my enemy, uh
Love turn jealous them wan' end me, uh
God my armous you can't tosh me, uh
Old friend turn into enemy, uh
Friend of an opp they my enemy
Love turn jealous them wan' end me
Old friend turn into enemy
Bun him with the vibes kill the entity

I don't even rap you make me jump on a mic, uh
Face set pretty and cute and nice
But no bother ramp with man we cause pain and strife, uh
African woman a guh shoot and strike
Send obeah your liccle duppy them affi die
Send sexy buddy ah me no inna soul tie
Can't frighten we we turn shadow at night
Give a liccle nigga biggest fright of his life

Friend of an opp they my enemy, uh
Love turn jealous them wan' end me, uh
God my armous you can't tosh me, uh
Old friend turn into enemy, uh
Send me juju and it bounce right back nigga
Send me juju and it bounce right back nigga
