

## Advancing on My Own

iamsu!

They don't understand the wave I'm on  
So I just keep advancing on my own  
You don't know what you got until it's gone  
You don't know what you got until it's gone

So I just keep dancing, I'mma keep on singing  
Trap steady jumping, I got three phones ringing  
Diamonds dancing on my necklace like Chris Breezy  
Baby are you trying to take a flight just to see me

Don't carry weight, don't got no save, no  
I'm in my swing, Jose Canseco  
Move out the way, I'm with my gang, oh  
You wanna hang, just for the fame, though  
Yeah, I don't need no partners  
No, I don't drink no vodka  
Lone dreadlock like rasta  
In my city, plugged in like mafia  
Out here my flow and your flow, that's obvious  
She wanna see me, she goin' [?], lobby up  
I might give your girl the boot like LaTavia  
Plus my gang tight, you can never tie me up

So I'mma keep dancing, I'mma keep on singing  
Trap steady jumping, I got three phones ringing  
Diamonds dancing on my necklace like Chris Breezy  
Baby are you trying to take a flight just to see me

They don't understand the wave I'm on  
So I just keep advancing on my own  
You don't know what you got until it's gone  
You don't know what you got until it's gone

I, can't, vibe, with the fake shit  
How, do you, have, all these day 1's  
They want it so overused, what about the zero  
I think you got it confused, focus on dinero  
I see [?] on paper views  
I be pulling chicks in twos  
I'm up bright and early on the clock, won't never hit the snooze  
If you snooze, then you lose  
I got too, much to do  
I pull up, I collect  
Call you back, in a few

That's the way my life goes  
I guess my life is life goals  
Grew up in the bay, home of the side show  
But they don't know that I can do this with my eyes closed

So I'mma keep dancing, I'mma keep on singing  
Trap steady jumping, I got three phones ringing  
Diamonds dancing on my necklace like Chris Breezy  
Baby are you trying to take a flight just to see me

They don't understand the wave I'm on  
So I just keep advancing on my own

You don't know what you got until it's gone  
You don't know what you got until it's gone
