I'm stacking blue hundreds in go yard
Everyday all day I go hard
Gavin on new tracks like go cart
Cash on my mind like go kart
Party lit like it got candles on it
I'm mackin' like laptop so apple on it
We walk in the party they grab up on me
When I let down she just hop up on me
I'm rollin up mixing up two strains
Give her bit of that Bruce Wayne
She shaking that ass like tambourine
I told you the house do things
Be a hot boy like wayne

Hit it one time she insane wake up headed to the bank
You know its no limit like a tank
Bought to smell me coming
All my cars go two hundred
All my clips one hundred
All my niggas one hundred, pay me in all blue hundreds
The booty kinda is my hobby
The city back brackin like I'm bobby
All about a check like Nike
All about a check like a ID
