

Can't Hate U Can't Hate

lamsu!

Ah, hardly home but I'm always home,
Ah, looks the problems get call my phone
I'm balling out, these lames out here all styling out
Niggas ain't all about the money now
When honestly, it's what this shit is all about
Up all night like a waffle house,
All this shit that I'm dropping out, that I'm popping
Got her chest popping out
And her draws falling, I'm Jordan balling
I'm phil Jackson, I'm play calling, quarterbacking
Won the mac like [?] her draws off
And that hoe can't keep her paws of ah
I'm too real you can check the difference
And all my players chest is pimping
Ah, I ball out then collect the interest
And if you real then you respect the sentence
Ball, baler, don't worry carter, work smarter
I took the dam and go farther, I took the dam and go farther
Farther, don't work harder, work smarter
I took the dam and go farther, I took the dam and go farther, yeah

Niggas know I'm next to blow, ah
Extra swagger, extra soft
Love women, no respect for hoes
Ah, the club is open but my sex is closed, yeah
Live my life cause nothing's given
I wake up taking the [?]
Was broke now everyday is Christmas
I'm from the rich where niggas hate to visit
Ah, I'm at the dough and they don't say who is it
I'm with your hoe, I gotta player with it
I know I got it and I'm staying with it
Ah, I kick her out, she prolly laying with it, right
I'm at the car wash, polish brand with it
Can no one do how a player done did it
This shit for us there ain't no handing with it
The time is now, there ain't no waiting with it

I'm too real you can check the difference
And all my players chest is pimping
Ah, I ball out then collect the interest
And if you real then you respect the sentence
Ball, baler, don't worry carter, work smarter
I took the dam and go farther, I took the dam and go farther
Farther, don't work harder, work smarter
I took the dam and go farther, I took the dam and go farther, yeah.
