

# Clothes, Shows, & Afros

Iamsu!

(HBK, yea you know how we play)

(And I can't quit all I know is gang gang)

(Clothes Shows and Afros and they be screaming for the kid everywhere we go)

On my way to a show, that means that I'm on my way to some O's

And some commas, that's a promise

Its quality I control

On the roll with the honor roll

Straight A flow, 4.0 we on the goal

Make every move calculated and precise

Make a list, check it twice

Making sure every step is right

Fresh out of class, straight to the Airport

They ain't got no money what I care for?

Charging my cell phone in the apple store

Bougie girls get tossed like apple course

Get with the program broham, or get lost

Cause the gang is engaged for lift off

Out of the Bay

Hater get out our way

H-B-to the K

Niggas know how we play

I'm focused on a mission you drink and smoke everyday

I tell them pay attention, and watch me ill lead the way

(Suzy)

Clothes Shows and Afros

And they be screaming for the kid everywhere we go

So don't ever get it twisted HBK we really live it

Everything I got I give it (uhh)

Been repping that Heart Break Gang

You niggas just know knowing the meaning

And I'm staying loyal won't nothing come in between us

Bumping that Diplomat so that know that I really mean it

Went from showing up late to class to being on TV

But I'm chilling, keep it real every time that you see me

Very dedicated, hardly any free time

Cause free time leads to a decline

You see that bad one over there? yea she mine

She fine, and she got her own

Talking bout her alone I could write a song

And she sticking with the kid, right or wrong

But anyway, back to grind

I'm on the move

No sleep, you losing precious snooze

So I conclude

There ain't nobody on our level

One foot in they ass, the other foot on the pedal

Watch me gas on em

Clothes Shows and Afros

And they be screaming for the kid everywhere we go

So don't ever get it twisted HBK we really live it

Everything I got I give it (uhh)
