

# Dum Dum Dum

Iamsu!

I am higher than a plane  
Ba da dum dum dum  
Since they put me in the game  
Ba da dum dum dum  
Hot Boy in the building  
I set the house on fire  
I got bands to the ceiling  
Watch me dum dum dum

All the lights on me  
It's a good thing I got your sights on me  
You look nice, Mami  
I got book a room and get a flight money  
And ain't nobody ever right for me  
I hit the booth and then it come to me  
I'm from the Bay that's where they go dummy  
I am about my business, I am no dummy  
She don't want a man  
Heard her ex-boyfriend, wished you want a man  
I got plans laid on top of plans  
All my homies stackin' change, call it common sense  
One show, that's a year rent  
I know all you new niggas as my children  
Been ready ever since the diligence  
Cause I stick to the script and read the fine print

I am higher than a plane  
Ba da dum dum dum  
Since they put me in the game  
Ba da dum dum dum  
Hot Boy in the building  
I set the house on fire  
I got bands to the ceiling  
Watch me dum dum dum

I got everything I need  
Jameson, bad hoes, good weed  
I'm the truth and 10 hoes all 45, yeah I came back ballin'  
On to the next, but my ex still callin'  
Hot Boy Juvie, tell him I need 100 grand  
Write that ass up, tell him how I feel, understand  
Niggas always talkin' who the hottest, you are novice  
They tell me I'm the future and they bein' honest  
Go on tour just to show niggas  
I've been ready since the Go Getters  
I'm from the place where they out of sight, ghostride  
And you know we keep work, more TIE  
The music make the money, call it seanotes  
That's your bitch, I'll take her back  
Ain't we cool

I am higher than a plane  
Ba da dum dum dum  
Since they put me in the game  
Ba da dum dum dum  
Hot Boy in the building  
I set the house on fire

I got bands to the ceiling  
Watch me dum dum dum
