Ay, this is not pretend it's a Fendi (that's a fact)
You the type to only do it cause it's trendy (cause you wack)
Keep a dime piece with me and she pretty (oooh)
I'm the type to go and cash out on a bently (skrt skrt)
That's right, yeah I'm every girl type
Pocket full of money and a neck full of ice
That's right, yeah I'm every girl type
Pocket full of money and a neck full of ice

Do your dance, do your do your do your dance girl
B.b simon belt hold up my pants girl
You an independent boss, self made
Going 18 like you in the 12th grade
You don't really give a fuck what they might say
You just step your shit up now the price change
You like nice things, I like nice things
Like black forgiatos on a white range
Drinking out the bottle 1942
Ice bright light high beams on the coupe
They sayin lies in they raps like it's true
I'ma ride for the gang I'ma slide for the crew
