Flowers 2600

Iamsu!

I'mma get back everything that they stole from us
Keep on eating even though I got a full stomach
Cross my gang, they beat your ass like you stole somethin'
Don't believe in L's, I just grow from 'em
Up and down at 5, I'm a road runner
Got my mojo back, I feel like Austin Powers
Feel like I'm back inside my bag, I'mma keep 'em coming
And way before I die, I'mma smell my flowers

I don't got no diary to tell my problems
I say life's a bitch, my bro like tell me 'bout it
I need less Corollas, I need more Palomas
Everything on me dipped in water, I ain't drinking soda

I had to turn ones into fives
I had to turn fives into tens
Yeah I got in the Benz
Since I ain't buddy-
buddy with these other niggas, they won't cosign me again
I need the real love, need a friend
I'm making every shot I attempt
I'm off the gas, high as a blimp
I get a fresh cut, like a trim
I'm outer space, whole 'nother realm
I'm looking at the man in the mirror
I need to show 'em Oakland Colosseum
Big bucks, you could keep the whammy's
Run it up, plus feed the family, yeah

I'mma get back everything that they stole from us
Keep on eating even though I got a full stomach
Cross my gang, they beat your ass like you stole somethin'
Don't believe in L's, I just grow from 'em
Up and down at 5, I'm a road runner
Got my mojo back, I feel like Austin Powers
Feel like I'm back inside my bag, I'mma keep it coming
I don't wanna die, just to smell my flowers

I'm on 1 of 1, there ain't gon' be no sequel
Pinky finger up, I feel like Dr. Evil
You don't call my momma Sissy, you was not my people
You ain't been through what I been through, you was not my equal
Hold on, wait a minute
I'm in my zone, bro let me get 'em
Shot to the dome, no I ain't finished
Tryna, break a record like a Guinness
I need love, no More like a in the trunk of a Beamer
Coolest monkey, I feel like Caesar, ooh
I'mma get back everything that they stole from us
I'm just coming from my crown [?], yeah
Something getting bigger, I don't feel hunger
180 to 360s
I'mma get back everything that they stole from us
Keep on eating even though I got a full stomach
Cross my gang, they beat your ass like you stole somethin'
Don't believe in L's, I just grow from 'em
Up and down at 5, I'm a road runner

Got my mojo back, I feel like Austin Powers
Feel like I'm back inside my bag, I'mma keep it coming
I don't wanna die, just to smell my flowers
I'mma get back everything that they stole from us
Keep on eating even though I got a full stomach
Cross my gang, they beat your ass like you stole somethin'
Don't believe in L's, I just grow from 'em
Up and down at 5, I'm a road runner
Got my mojo back, I feel like Austin Powers
Feel like I'm back inside my bag, I'mma keep it coming
I don't wanna die, just to smell my flowers
