Freestyle

Iamsu!

All I do is get paid, so I don't freestyle
If the gang ain't with me, then they on speed dial
Money on my mind all I think about is thousands a pack
Hella must, like I need to take a shower
All I do is get paid, so I don't freestyle
All I do is get paid, so I don't freestyle

Yeah, feeling like stay, but I'm feeling like go
She treat me like bae, but I treat her like bro
Eyes on me ran it up on my own
I'm a first time buyer, drop a quarter on my home
The pack hella musty, I ain't spraying no cologne
I just touched down in London, running plays off the phone
I'm on, no going off
Bro way in a foreign and I'm showing off
Still flexing, all in the club no section
These lames try to swerve in my lane, call progressive
A blessing, that's what I am when I'm rapping
Connected, slide through your hood like what's happening
Money in the bank plus money in the mattress
Walk in a function with model or actress
Money in the bank, plus money in the mattress
Walk in the bank with a model or actress

All I do is get paid, so I don't freestyle
If the gang ain't with me, then they on speed dial
Money on my mind all I think about is thousands a pack
Hella must, like I need to take a shower
All I do is get paid, so I don't freestyle
All I do is get paid, so I don't freestyle

Yeah, aye, yeah, aye
I rock Louis. I rock Gucci
I remember saving up to buy Stussy, hmm
Young Suzy, hmm, got his own way
Oh you the man now, oh you don't say
I been building up my repertoire
Hella goals on my list I been checking off
Everything for the gang I been repping for
Elevating making waves never heard before
Plus I'm heavy on the grind like two tons
Are you with me or against me, bitch, choose one?
Smoke straight out the crap, I got clean lungs
Put my trust in the gang 'cause my team's strong
Expensive end zone filled up with blue faith
Since always on Rosie and new day
Shit's fresh of the light of that new spaceship
They get online and get courageous

All I do is get paid, so I don't freestyle
If the gang ain't with me, then they on speed dial
Money on my mind all I think about is thousands a pack
Hella must, like I need to take a shower
All I do is get paid, so I don't freestyle
All I do is get paid, so I don't freestyle
