

## Go Hard

iamsu!

I'ma go hard, yeah  
I'ma go hard  
I'ma go hard, yeah I'ma go hard  
I'ma go hard, I'ma go hard  
I'ma go hard  
And as far as I'm concerned, you a champion (yeah)  
So don't ever let 'em tell you it can't be done

I'm so new, I'm so weird  
They can't figure me out  
So they clinch and they cling to the words comin' out  
Of my mouth cause I'm bout everything that I say  
I'm so real, I'm so me, how could he fabricate  
To the fake, I'm the worst  
They want me in a hearse  
To the real I'm the illest they feel every verse  
Say my name at the end, like I signed it in cursive  
Here for a reason, I'm here for a purpose  
Closin' the curtains can't stop my show  
Can't stop, won't stop, to the top I go  
I do this for the kids, man y'all just like me  
And I feel like the best bruh I just might be  
I put on for my region, my city, my hood  
Ride this to the end, I won't quit if I could  
Young Su is a problem, a beast and a dog  
I'm a champion, all that I do is go hard  
Suzy

I'ma go hard, yeah  
I'ma go hard  
I'ma go hard, yeah I'ma go hard  
I'ma go hard, I'ma go hard  
I'ma go hard  
And as far as I'm concerned, you a champion (yeah)  
So don't ever let 'em tell you it can't be done

I go harder than hard  
HBK yeah that's my squad  
Patiently waiting to blow and for them to know who we are  
This close to giving up hope  
Almost let go of the rope  
My life is a circus but still one monkey ain't stoppin' no show  
How could I when I'm so far  
All I could do is go hard  
Hatred is not acknowledged  
Not registering on my sonar  
My destination is great  
Truly there is no debate  
Never content with second my true home is only first place  
Had to get my head on straight  
Money first everything wait  
Five star dinners only I don't want the fish fillet  
This the way it's supposed to be  
Flyer than a poster be  
Keep my heart to God in heaven, that's word to my rosary  
Man this life has chosen me  
I ain't never asked for it

Took the game single-handed, I ain't need no mask for it  
Blood, sweat, and tears, paid dues no cash for it  
Pedal to the medal like a hundred yard on the dash for it  
Su

I'ma go hard, yeah

I'ma go hard

I'ma go hard, yeah I'ma go hard

I'ma go hard, I'ma go hard

I'ma go hard

And as far as I'm concerned, you a champion (yeah)

So don't ever let 'em tell you it can't be done
